Making a claim

If one of your fleet drivers is involved in an accident or needs to make a claim, just one call to Fleetline will help get your business back on the road as quickly and as easily as possible. And you'll have a dedicated Personal Incident Manager to handle your claim from beginning to end, hassle-free and form-free. They'll keep you up to date on its progress too.

They'll first need to confirm that the incident is covered by your policy, and let you know of any excess you'll need to pay. And then our expert claims department will get to work getting your business back on track. If the vehicle can't be driven, your Personal Incident Manager will also help by:

- arranging for vehicle recovery to an approved repairer; and
- getting in touch with anyone who needs to know that you've been involved in an accident.

Breakdown Assistance

If your Fleetwise policy includes Breakdown Assistance, you can call Fleetline if you break down and they'll arrange for RAC to get you back on the road.

Section 1 Loss of or damage to your vehicle

If your vehicle is lost, stolen or damaged, we will at our option:

- replace your vehicle; or
- pay the amount of the loss or damage in cash.

We may decide to use suitable parts or accessories not supplied by the original manufacturer.

The same cover also applies to accessories and spare parts relating to your vehicle while these are in or on your vehicle (or while in your private garage if your vehicle is a private car).

If we know that you are still paying for your vehicle under a hire purchase, leasing or contract hire agreement, we will pay any claim to the owner described in that agreement. Our liability under this policy will then end.

The maximum amount we will pay will be the market value of your vehicle immediately prior to the loss or damage.

Accident recovery

In Great Britain, Northern Ireland, the Channel Islands and the Isle of Man we can arrange for the protection and removal of your vehicle to the nearest repairers. In the event of an accident ring Fleetline on **0800 246 876** and we will arrange for the following at no additional cost.

- Someone to come out and help. If your vehicle cannot be made roadworthy immediately it will be taken to our nearest approved repairer.
- Your vehicle can be taken to a repairer of your choice if this is nearer, but this may lead to delays in arranging the repairs to your vehicle.

- The onward transmission of any messages on your behalf.
- Delivering the vehicle back to your address in Great Britain, Northern Ireland, the Channel Islands and the Isle of Man after the repairs have been carried out.

In providing accident recovery assistance we will use our reasonable care and skill when providing the service. We can, however, cancel services or refuse to provide them if, in our opinion, the demands made are excessive, unreasonable or impractical.

The following cover is provided in Great Britain, Northern Ireland, the Isle of Man and the Channel Islands through RAC for you or any person permitted to drive as described under '5 – Persons or Classes of Persons entitled to drive' in the certificate of motor insurance.

If your vehicle breaks down, when you telephone Fleetline RAC will arrange for the following at no additional cost:

- someone to come out and help. If your vehicle cannot be repaired at the roadside it will be taken to a nearby garage approved by us or a closer one of your choice where you can arrange for repairs to be made; or
- assistance if your vehicle will not start while parked at your business address. If your vehicle cannot be repaired immediately it will be taken to your local garage.

If your vehicle needs to be towed it must display a valid road tax disc.

In addition, if your vehicle breaks down away from your business address and cannot be repaired within a reasonable time, RAC will arrange for:

- onward transportation for the driver, your vehicle, up to sixteen passengers and any caravan/trailer on tow at the time, to the destination of the driver's choice, in one non-stop journey. This facility may also be provided if the driver falls ill and there are no passengers who can drive your vehicle so that the journey cannot be completed. In these circumstances it will be at the discretion of RAC whether this service is offered. Medical certification will be required.

In providing breakdown assistance RAC employees and contractors will use reasonable care and skill. RAC can, however, cancel services or refuse to provide them if, in

their opinion, your demands are excessive, unreasonable or impracticable.
