Inflation protection

The **Sums Insured** for **Sections** 1 and 2 will be adjusted monthly in line with the appropriate Retail Prices Index. Where there has been an inflationary increase in the Retail Price Index **We** will increase the **Sums Insured**. No additional premium will be charged for these adjustments between the anniversary dates of **Your** insurance, but **Your** renewal premium will be calculated on the revised **Sums Insured**.

The **Sums Insured** for **Sections** 1 and 2 should be reviewed periodically by **You** because changes in the Retail Price Index may not be sufficient (for example where **You** are adding to the **Contents** of **Your Home** or extending **Your Buildings**).

Claims conditions and procedures

You should

1. check **Your** insurance document to see whether the **Cause** of the loss or damage is covered. **Your Schedule** will show which **Sections** are operative. Please remember that this insurance does not cover loss or damage which has been caused purely by wear and tear – it is not a maintenance contract.
2. obtain estimates as soon as possible for repairing damaged property. Temporary repairs necessary to make **Your Home** weatherproof or secure can commence immediately but bills must be retained as the cost may form part of **Your** claim. **We** must be given an opportunity to arrange inspection of the damage before permanent repairs commence.

Your duties in the event of a claim or possible claim under this insurance

1. **You** must notify **Your Broker** or **Advent** as soon as reasonably possible giving full details of what has happened. **Your Broker** or **Advent** will issue a claim form for completion by **You**.
2. **You** must provide **Your Broker** or **Advent** with written details of what has happened within 30 days and provide any other information **We** may reasonably require including proof of ownership and value.
3. **You** must immediately (within 5 days) forward to **Your Broker** or **Advent**, if a claim for liability is made against **You**, any letter, claim, writ, summons or other legal document **You** receive.
4. **You** must inform the Police as soon as possible following malicious acts, violent disorder, riots or civil commotion, theft, attempted theft or lost property.
5. **You** must not admit liability or offer or agree to settle any claim without **Our** written permission.
6. **You** must not abandon any property to **Us** or **Advent**.

If **You** fail to comply with any of the above conditions and procedures **Your** claim may become invalid.

How We deal with Your claim

1. Defence of claims – **We** may

- take full responsibility for conducting, defending or settling any claim in **Your** name.
- take any action **We** consider necessary to enforce **Your** rights or **Our** rights under this insurance.

2. Fraudulent claims

If **You**, or anyone acting on **Your** behalf, make a claim knowing it to be false or fraudulent in amount or in any other respect, this insurance shall be invalid and all claims shall be forfeited.

3. **We** will

- deal with **Your** claim as quickly as possible, taking into account the nature of the claim and whether **We** have all information **We** may reasonably require

- in some cases arrange for an independent Chartered Loss Adjuster to discuss **Your** claim with **You**. When this is necessary, **We** will advise **You** of the name and address of the Loss Adjuster and monitor the progress of the claim for **You**.
- let **You** know if **We** need any more information where Loss Adjusters are not required.

Please do not worry if **We** arrange for a Loss Adjuster or member of staff to visit **You**. It is a normal claims procedure. **We** regret any delay which consideration of more complicated claims may cause.

How do We settle claims under Sections 1 and 2?

Section 1 – Buildings

We will repair reinstate or replace the lost or damaged property or at **Our** option pay in cash the amount of the loss or damage. If repair or reinstatement is not carried out **We** will pay the reduction in value resulting from the damage but only up to what it would have cost to rebuild or repair if such work had been carried out without delay. There will be no deduction from the cost of repairing or reinstating damage which is the subject of a valid claim providing **You** have maintained the **Buildings** in a good state of repair. **We** will deduct an amount for wear and tear if the **Buildings** are in a poor state of repair or decoration.

We will not pay more in total than the **Sum Insured** or limit stated on **Your Schedule**, whichever is the lower amount after deduction of the **Excess**. If **You** are underinsured, which means the total cost of rebuilding the **Buildings** at the time of loss or damage is more than **Your Sum Insured** for the **Buildings**, then **We** will only pay a proportion of the claim. For example, if **Your Sum Insured** only covers one half of the cost of rebuilding the **Buildings**, **We** will only pay one half of the cost of repair or replacement.

We will automatically reinstate the **Sum Insured** under **Section 1** from the date of payment of any claim providing the underwriter's recommendations to prevent further loss or damage are carried out.

We shall not be liable for more than **Our** rateable proportion of any loss or damage or liability where there is other insurance providing the same cover.

Section 2 – Contents

We will repair reinstate or replace the lost or damaged property or at **Our** option pay in cash the amount of the loss or damage. If an article has been totally lost or damaged beyond repair and is not replaced **We** will pay the full cost of replacement less a deduction for wear and tear. If the damage can be repaired but the repair is not carried out **We** will pay the reduction in the value of the item resulting from the damage but not exceeding the estimated cost of repair.

We will not pay more in total than the **Sum Insured** or limit stated on **Your Schedule**, whichever is the lower amount after deduction of the **Excess**. If **You** are underinsured, which means the total cost of replacing the **Contents** at the time of loss or damage is more than **Your Sum Insured** for the **Contents**, then **We** will only pay a proportion of the claim. For example, if **Your Sum Insured** only covers one half of the cost of replacing the **Contents**, **We** will only pay one half of the cost of repair or replacement.

We will automatically reinstate the **Sum Insured** under **Section 2** from the date of payment of any claims unless **We** have given **You** written notice to the contrary before payment. **We** shall not be liable for more than **Our** rateable proportion of any loss or damage or liability where there is other insurance providing the same cover.

Will any deduction be made for wear and tear?

We will only make a deduction for wear and tear for:-

- clothes and household linen
- where **Buildings** are in a poor state of repair
- if an article has been totally lost or damaged beyond repair and is not replaced

Is there a limit to the number of claims that can be made?

There is no limit to the number of claims **You** can make but the amount **We** will pay may be limited.

Limits which apply will be either:

1. a limit on the amount payable for each claim (but further claims would be paid up to the same limit) or
2. a limit on the total payable in any **Period of Insurance** (which means that no further cover would apply until renewal once the limit was exhausted by one or more claims)

All limits would be reinstated at renewal of the insurance unless **We** advised **You** to the contrary. All limits are stated in this insurance document or **Your Schedule**.
