Should the **Home** become occupied during the **Period of Insurance** **We** will not be able to continue cover under this type of insurance but will look to transfer **Your Cover** to a more suitable scheme, and this insurance will be cancelled and any refund premium due to **You** will be calculated on a pro rata basis less the original **Advent** administration fee as stated on **Your Schedule**.
- if any windows or doors are boarded up (unless as a temporary measure to secure the **Home** following damage, until they are repaired)
- if the **Home** is to be demolished or becomes subject to a compulsory purchase order

Important Notice:

Please note that if the information provided by **You** is not complete and accurate, **We** may:-

Inflation protection

The **Sum Insured** will be adjusted monthly in line with the appropriate Retail Prices Index. Where there has been an inflationary increase in the Retail Price Index **We** will increase the **Sum Insured**. No additional premium will be charged for these adjustments between the anniversary dates of **Your** insurance, but **Your** renewal premium will be calculated on the revised **Sum Insured**.

The **Sum Insured** should be reviewed periodically by **You** because changes in the Retail Price Index may not be sufficient (for example where **You** are extending **Your Buildings**).

How We deal with Your claim

1. Defence of claims – We may

- take full responsibility for conducting, defending or settling any claim in **Your** name.
- take any action **We** consider necessary to enforce **Your** rights or **Our** rights under this insurance.

2. Fraudulent claims

If **You**, or anyone acting on **Your** behalf, make a claim knowing it to be false or fraudulent in amount or in any other respect, this insurance shall be invalid and all claims shall be forfeited.

3. We will

- deal with **Your** claim as quickly as possible, taking into account the nature of the claim and whether **We** have all information **We** may reasonably require
- in some cases arrange for an independent Chartered Loss Adjuster to discuss **Your** claim with **You**. When this is necessary, **We** will advise **You** of the name and address of the Loss Adjuster and monitor the progress of the claim for **You**.
- let **You** know if **We** need any more information where Loss Adjusters are not required.

Please do not worry if **We** arrange for a Loss Adjuster or member of staff to visit **You**. It is a normal claims procedure. **We** regret any delay which consideration of more complicated claims may cause.

How do We settle claims

Section 1 – Buildings

We will repair, reinstate or replace the lost or damaged property or at **Our** option pay in cash the amount of the loss or damage. If repair or reinstatement is not carried out **We** will pay the reduction in value resulting from the damage but only up to what it would have cost to rebuild or repair if such work had been carried out without delay. There will be no deduction from the cost of repairing or reinstating damage which is the subject of a valid claim providing **You** have maintained the **Buildings** in a good state of repair. **We** will deduct an amount for wear and tear if the **Buildings** are in a poor state of repair or decoration.

We will not pay more in total than the **Sum Insured** or limit stated on **Your Schedule**, whichever is the lower amount after deduction of the **Excess**. If **You** are underinsured, which means the total cost of rebuilding the **Buildings** at the time of loss or damage is more than **Your Sum Insured** for the **Buildings**, then **We** will only pay a proportion of the claim. For example, if **Your Sum Insured** only covers one half of the cost of rebuilding the **Buildings**, **We** will only pay one half of the cost of repair or replacement.

We will automatically reinstate the **Sum Insured** from the date of payment of any claim providing the underwriter's recommendations to prevent further loss or damage are carried out.

We shall not be liable for more than **Our** rateable proportion of any loss or damage or liability where there is other insurance providing the same cover.

Is there a limit to the number of claims that can be made?

There is no limit to the number of claims **You** can make but the amount **We** will pay may be limited (even after deduction of the **Excess**).

Limits which apply will be either:

1. a limit on the amount payable for each claim (but further claims would be paid up to the same limit) or
2. a limit on the total payable in any **Period of Insurance** (which means that no further cover would apply until renewal once the limit was exhausted by one or more claims)

All limits would be reinstated unless **We** advised **You** to the contrary. All limits are stated in this insurance document or **Your Schedule**.
